Technology and Skills
Lecturer in Mechanical Engineering
Clydebank Campus
Full time, Permanent
Salary £40,170 - £48,357 per annum
Ref: WCSR00001151

Are you passionate about shaping the future of engineering? If you're looking for a rewarding opportunity to inspire and develop the next generation of mechanical engineers, we want to hear from you!

Why This Role?

This is an exciting opportunity to become part of our innovative and supportive Engineering team. As a Lecturer in Mechanical Engineering, you'll have the chance to make a real impact by delivering high-quality education and hands-on experience to our students.

What We're Looking For:

- **Qualifications:** You must hold a minimum of SCQF Level 8 in an Engineering qualification, alongside a recognised engineering apprenticeship (SCQF Level 6 or equivalent).
- **Industry Expertise:** With solid industry experience and continuous professional development, you'll bring valuable insights from the engineering world into the classroom. Teaching experience is desirable although not essential.
- **Desirable Skills:** Familiarity with computer-aided design (CAD) and teaching experience is a bonus, but if you have the passion to teach and excellent communication skills, we're ready to support you in becoming an outstanding lecturer.

Why West College Scotland?

West College Scotland is modern, inclusive, ambitious and innovative. Winners of multiple awards, including The Herald's Top Employer Award for our pioneering use of Digital Technologies, we are one of the largest Regional Colleges in Scotland with campuses in Clydebank, Greenock and Paisley. We deliver exceptional learning and vocational training opportunities to the West of Scotland region.

At West College Scotland we are ambitious about Equality, Diversity, and Inclusion. If you've got the right skills and qualifications for the job, we want to hear from you. We encourage applications from all candidates regardless of age, disability - visible and non-visible including neurodiversity, gender identity,
