Technology and Skills

**Lecturer in Fabrication & Welding**

**Fixed Term until 31 August 2025**

35 Hours per week, Greenock Campus

Salary £40,170 - £48,357 per annum

Ref: WCSR0001152

### Join our Team at West College Scotland!

Are you ready to ignite the next generation of talent in **Fabrication & Welding**? This is your chance to join our vibrant **Technology and Skills** sector, where your expertise will help shape the future of engineering!

We're looking for driven, self-motivated professionals who are passionate about delivering high-quality education. If you're committed to making a real difference to students' learning experiences, we want you on board!

### What You'll Bring:

- **Qualifications:** You'll have at least SCQF Level 6 in an Engineering qualification and a recognised apprenticeship to SCQF Level 6 or equivalent.
- **Industry Expertise:** With supervisory-level commercial experience in fabrication and welding, you'll bring a wealth of knowledge into the classroom.
- **Skills:** You'll be well-versed in a range of welding techniques such as MIG, TIG, and MMA, along with general fabrication. You should also have a solid understanding of Health and Safety legislation.
- **Desirable:** Teaching experience would be fantastic, but if you've got excellent communication skills and a supportive, positive attitude, we'd love to help you grow in this role.

### The Role:

You'll inspire students through a blend of theory and practical workshops, ensuring they are well-equipped with the skills needed for the industry. With your extensive experience in fabrication and welding, you'll help students unlock their potential in a fast-paced, hands-on environment.
