IT Department Solutions and Development

IT Administrator - Development (Ref WCSR0000312)

Cross Campus responsibilities, with base campus to be agreed with successful candidate. Will be required to carry out duties at alternate campuses

Grade 5, £24449 to £28442 per annum

This post presents an excellent opportunity for a self-motivated, enthusiastic individual to provide cross-college information systems administration and development technical support for IT users and systems within the College.

Candidates must hold a relevant SCQF level 7 qualification, or equivalent, and have MCP/MTA or similar. You must have experience of configuring and installing business applications, server and database software as well as experience of delivering IT enabled solutions to a multi-site IT environment.

Full details of the skills and qualities required can be found on the employee specification.

Any offer of employment will be subject to receiving a satisfactory Scheme Record through the Protection of Vulnerable Groups Scheme.

To apply for these posts, please visit the web site and apply online. If you require any assistance, please contact the HR team on 0141 581 2249/2250.
