

Faculty of Creative Industries & Essential Skills

Creative Industries

Technician (Ref: WCSR0000235)

25 hours per week, Term-time

Grade 4: £21775 - £24449 per annum pro rata

Base Location: Clydebank campus but may be required to work from other campuses.

This post presents an excellent opportunity to establish yourself in a key role within the Design and Media team in our Clydebank Campus. You will be responsible for providing an efficient and effective technical support service to all staff and students within the team and across the faculty.

You will be involved a wide range of work including: preparing work areas for art, design, media and photography tuition; issuing, monitoring and repairing equipment; carrying out planned maintenance; stock ordering and control. You must have strong customer service skills and you may be required to move and set up equipment at external venues outwith normal working hours.

All candidates must have achieved a minimum SCQF level 8 level qualification, or equivalent, in a relevant Creative Industries related subject and have experience of relevant software and hardware including, but not limited to: Avid; Adobe Creative Cloud; Stills Photography; Video and Sound Recording Equipment. You must be able to work on your own initiative and have effective organisation, communication and IT skills.

Full details of the post and criteria required can be found on the Job Description and Employee Specification.

Any offer of employment will be subject to receiving a satisfactory Scheme Record through the Protection of Vulnerable Groups Scheme.

To apply for the posts, please visit the web site and apply online. If you require any assistance, please contact the HR team on 0141 581 2249/2250.
