Faculty of Care and Life Sciences

Head of Sector – Learner Development (Cross Campus)

Salary - £57,222.56 per annum

This is a unique opportunity to lead the Sector of Learner Development at Scotland's largest regional College, West College Scotland. This senior post holder will be expected to lead the development of innovative and high quality learning and teaching in the Sector. This Sector has approximately 70 staff, 1,500 students and delivers learning from SCQF levels 1 - 4. Our core purpose is to equip students, across the spectrum of additional needs, to achieve their maximum potential in relation to the development of skills for learning, life and work. This post holder will be responsible for leading the area to ensure that our students are supported to progress and, where appropriate, enter the world of work. Growing our employer links and our alternative income to ensure that the curriculum meets the needs of our students and is sustainable will be core to this role.

You will be qualified to degree level with significant knowledge and experience of the additional support needs sector.

As a creative problem solver, you will demonstrate an innovative approach to work and have a "can-do" attitude. The ability to motivate and empower people and teams, together with creating a strong team working ethos is critical. You must have considerable management experience, including efficient and effective deployment of staff, robust budgetary control and effective planning and evaluation processes.

Full details of the skills and qualities required can be found on the employee specification.

Any offer of employment will be subject to receiving a satisfactory Scheme Record through the Protection of Vulnerable Groups Scheme.
